

Congratulations to our *Rising Stars*

Each year, a select group of Texas attorneys are selected as Rising Stars from a state-wide survey.

Only 2.5 percent are named to the *Rising Stars* List

Candidates must be either 40 years old or younger or in practice for ten years or less.

Through reviewing national and local periodicals as well as legal trade journals, searching numerous databases and online sources, and conducting in-person and telephonic meetings with law firms, candidates are then voted upon by Texas Super Lawyers.
