

# Super Lawyers

Super Lawyers is a listing of outstanding lawyers from more than 70 practice areas who have attained a high degree of peer recognition and professional achievement.

The objective of the Super Lawyers selection process is to create a credible, comprehensive and diverse listing of outstanding attorneys that can be used as a resource to assist attorneys and consumers in the search for legal counsel.

In December 2006, Key Professional Media, Inc., retained Global Strategy Group (GSG), one of the nation's leading market research and consulting firms, to provide an independent assessment of the Super Lawyers selection process.

No other legal publisher goes through the unique multi-step process that Super Lawyers employs to find evidence of peer recognition and professional achievement.
