The Selection Process

The Rising Stars list is comprised of the top up-and-coming Texas attorneys who are under 40 years of age or have been in practice less than a decade.

Attorneys are selected using a rigorous, multiphase rating process. Once a year, nominations are made by peers which are then combined with third party research. Each candidate is evaluated on 12 indicators of peer recognition and professional achievement.

The objective is to create a credible, comprehensive and diverse listing of outstanding attorneys that can be used as a resource for attorneys and consumers searching for legal counsel.

The full *Rising Stars* list appears in the April 2011 issues of *Texas Monthly* and *Texas Rising Stars* magazines.
